

An Opportunity For You

Could you play an important role in SSB, by providing vital oversight of our charity? As a Trustee, you'll be responsible for governing our charity and directing how it's managed and run.

After several years' sterling service, some of our existing Trustees will be standing down at the AGM in April. So this is an ideal time to 'pick up the baton' and join the team to help run our strong, diverse and thriving organisation. There will be support and assistance for new Trustees, to help you settle in.

We very much welcome applicants from across our community. ***We especially need some-one with finance experience, to act as Treasurer (back-up support is available).***

Sustainable South Brent is a nationally renowned charity, an 'umbrella' organisation currently enabling 12 projects to run a wide range of activities, to create a resilient, low-carbon community where all life thrives. We understand the urgent need to take action to help tackle the climate and biodiversity emergency. Our practical work provides hope and inspiration, at a time when they've never been more important.

To learn more about the role of Trustee and how to apply, you can email chair@ssb.org.uk, for an initial chat. You can also read some background information and an invitation to apply via [this link](#)

SSB AGM on 22nd April: We'd like to introduce new Trustees at our AGM, so please apply as soon as possible. The AGM will be from 7.30pm in the Old School Community Centre, South Brent. ***Everyone is welcome - hear the latest SSB news and chat with our volunteers. Come and be inspired!***
